

OVERVIEW

[x+why](#) is a flexible workspace provider, with a difference - they are on a mission to change the way the world works for good. Through their innovative work and event spaces they support a community of impact-driven leaders, companies, and movements who believe that business should be a force for good.

The Better Business Network are thrilled to announce that we have partnered up with X+Why (having [recently moved](#) into their new offices opposite Manchester Cathedral) so that our Members can use X+Why offices to co-work and connect with other purpose driven businesses.

THE OFFER:

Better Business Network Members are entitled as part of their Membership to get free Coworking Day Passes to the X+Why office in Manchester as an exclusive community offer. You can simply get in contact and request a coworking pass on a specific date for you or your colleagues.

OR

We will be hosting Monthly Breakfast Networking sessions at the X+Why office, and after breakfast BBN Members will be able to take full advantage of their free coworking pass and spend the rest of their day using all the available facilities.

HOW TO TAKE ADVANTAGE OF THE OFFER:

If you just want to take advantage of the offer of a coworking pass on a specific date, simply get in touch with our Community Manager by emailing james@thebetterbusiness.network with your full name, company name, email address and date you want to get the pass for.

If you want to come to the Breakfast Networking sessions and co-work afterwards, get your tickets through Eventbrite.

WHO ARE X+WHY?

[x+why](#) is a flexible workspace provider, with a difference - they are on a mission to change the way the world works for good. Through their innovative work and event spaces they support a community of impact-driven leaders, companies, and movements who believe that business should be a force for good.

They have award-winning flexible workspaces to unite like-minded businesses, inspiring community, collaboration and culture, to amplify their great work to the wider business world.

They are a Certified B Corp business, and all of their spaces are designed and managed to be as green and sustainable as possible, from the chair being sat on, to the living roofs and the energy efficient lighting.

They currently have locations in London, Birmingham, Manchester and Milton Keynes.

Check it all out on their website [here](#)

WHY HAVE WE PARTNERED WITH X+WHY?

X+Why have strong principles that naturally align with sustainable companies, and therefore they also share common values with us at the Better Business Network.

They are a certified B Corp company and so they have been confirmed to meet high standards of verified social and environmental performance, and they clearly care about their social and environmental impact as a business.

X+Why intends to be an agent for positive change, believing strongly that business should be a force for good and aiming to help all their members continuously improve with the end goal of changing the world.
